by Dorothy McCain Elsenius

The appointment of Officer James Simmons, as of Oct. 1, to the position of sergeant with the Albany Police Dept., was inadvertently omitted in last week's Council story.

Simmons replaces retiring Emil Zugnoni.

Harold Van Coops, Albany March of Dimes Chairman, says pledgers and walkers are still needed for the MOD Walkathon on Sat., Oct. 16.

Councilman Joe Carlevaro promises to stencil the City of Albany insignia on each walker's T-shirt or sweat shirt (for free).

Rummage is also needed for the March of Dimes rummage sale which will be held at the El Cerrito Plaza on the same day.

Donations for the sale, which will be under the capable directions of Fay Ridley and Edith Sheriff, may be made to Harold Van Coops, Albany Health Dept., 526-6116 or Mrs. Sheriff, 526-2464.

There has been a last-minute change of location for the "really big" Cornell PTA Family Night program, to be held Friday, Oct. 1.

The event has been moved to the Albany High School Little Theater, which will provide a level-like setting for the talented performers, and more comfortable seating for those planning to attend this exceptional evening of free entertainment. (For further details see article elsewhere in this edition.)

Police Chief Ralph Jensen wants to remind everyone of the auction of unclaimed bicycles and other items, which will be held Saturday, Oct. 2, at 10 a.m. at the north end of the Albany Police Building. If you have lost any recently, it might be a good idea to check with the Police Department before Saturday.

Gladys Worthington, a member of the Alameda-Contra Costa Bay Area Social Planning Council, notes that according to a Dept. of Agriculture Bulletin, issued in 1966, a couple 65 years of age needed \$3,869 to exist modestly at that time, and a single person in the same age bracket needed an income of \$1,300.

Using her slide rule, Mrs. Worthington figures today's couple would need \$4,450 and a single person \$2,499. But, according to actual figures, 52 percent of Bay Area couples, 65 or over, are living on an income of under \$4,000, and 77 percent of our single senior citizens have a total

Board Calls 2nd Report

Albany School Superintendent, Kenneth Forry, and long-time School Board member, Milton Porter, have been instructed by the Board to select a structural engineering firm to run tests and make comparative estimates on rehabilitation of existing facilities and the construction of new facilities to replace Cornell and Marin schools.

Appearing last week before one of the largest crowds ever gathered for a school board meeting, members were joined in discussion by Albany City Councilmen, businessmen and interested residents.

Acting at the suggestion of Councilman Joe Carlevaro, backed by former Mayor Jerome Blank, the Board agreed to seek a verification of conditions from an independent structural engineering firm, instead of an architect, as had been previously recommended by Board Member Porter.

The Board set a \$5,000 limit for a second set of tests for the two schools, and instructed Forry to prepare a report on the time and expense involved in the relocating of the 1300 pupils now attending Cornell and Marin.

Many of those in the audience thought the removal of the children should come first.

Superintendent Forry's report to the Board on the relocation at last night's meeting which took place as the Albany Times was going to press.

'Talent, USA' Comes To Town

Cornell and Vista School parents and children will be treated to a different type of PTA program—an evening of fun and variety entertainment, presented by "Talent, USA," a teenage variety show, Friday, Oct. 1, at 7:30 p.m., in the Albany High School Little Theater.

Special honored guests will be all international and "new-to-the-area" families. Mayor Hubert Call, School Superintendent Kenneth Forry, and leaders of Albany youth groups, will be on hand to welcome them, and to explain Albany to them, according to Anita Tronoff, program coordinator.

"Talent, USA," a group of professional teenagers from all parts of the Bay Area, will present an hour-long program of outstanding entertainment, in honor of Cornell PTA's Family Night.

Featured entertainers include the exciting Gorman Twins, Joan and Jean, professional acrobats fresh from appearances in the Bahama Islands this summer; Mike and Mark Worthington, tap artists from Cal Expo and TV fame; popular Lorraine Martin, from El Cerrito, who will be remembered for her dancing and comedy routines at former Albany Art Festival and Merchants Bazaar performances, and Sheila Hefflin, talented and dare-devil unicyclist.

Musical sounds will feature Steve Tavares, an accomplished accordionist; and a guitar group starring Mike Musto on lead guitar, Lisa Randolph, rhythm guitar and vocals, and Albany's own Patrick Culley on drums.

Last, but not least, will be other members of the Culley family, Mother Mary and her ever-popular "Poodleaires" giving another of their inimitable performances.

Sign-Up Now

Registration for the 1971 Punt-Pass-and-Kick Competition is now underway at Jim Woulfe Ford, Inc., 836 San Pablo Ave. In making this announcement, Jim Woulfe, president of the dealership, noted: "Registration time is short, closing Thursday, Sept. 30, with the local competition being held Saturday, Oct. 2, at 10 a.m., Albany High School's Feeney Field."

Chairman Jim Scoggins is to engineer the competition, according to Elmer Coble, Customer Relations Manager at the Ford Agency. Jim is president of Albany Little League, and has been the official scorer for the PP&K competition for a number of years.

The competition has six age levels—8 through 13, and each boy at each age level will only compete with boys in that same age level.

First, second and third place trophies will be given to the three highest winners in each age level. The first place winners, 6 boys of each age level, will compete in the zone competition the following Saturday, Oct. 9. The zone winners will then enter the District Competition to be held at the Oakland Coliseum, Sunday, Oct. 24.

Those entering the local competition will receive a 1971 PP&K "Tips Book" with complete explanation of the program, plus valuable tips on punting, passing and kicking from top pro stars. Registration ends Thursday, Sept. 30.

Do You Have Information?

An urgent plea for information regarding the recent slashing attack on two young persons in Tilden Regional Park, has been issued by the East Bay Regional Park District's Department of Public Safety.

Detective Jerry Caulkins has asked that any person or persons who may have been in the Grizzly Peak Blvd. area, near Tilden Park, between 11 p.m. Saturday, Sept. 18 and 1 a.m. Sunday, Sept. 19, call him or Detective Fassler at 531-9300, Ext. 28.

Caulkins said that he and Fassler were particularly interested in talking to the owner of a light colored Volkswagen sedan, which was parked, apparently unattended, near the scene of the incident.

Safety Award For Albany

Albany has received the American Automobile Association's Pedestrian Safety Award, which was earned for its fine pedestrian safety record during 1970.

The award was presented to the Albany City Council by Robert K. Kunkel, local manager for the California State Automobile Association.

Albany was one of 1,977 cities which participated in the AAA's Pedestrian Safety Inventory Program for 1971.

The city earned its award because of its record of no pedestrian deaths during 1970. All cities are evaluated in the following categories: maintenance and use of accident records, enforcement of traffic laws, traffic engineering, coordination of its overall safety program, school safety programs, and publication of safety information.

The AAA Pedestrian Safety Inventory has been conducted each year since 1937 and during that time pedestrian fatalities across the nation have been reduced by nearly 40 percent.

Join The Fun Heart Health Fair Offers Many Unusual Exhibits

"Western Days" will be the theme for this year's Marin School Carnival, to be held Saturday, Oct. 2, from 10 a.m. to 4 p.m., at the school.

Mrs. Fred Patterson, chairman for the event, promises many exciting games, booths and entertainment.

Games will include: pound-a-nail, pitchplate, treasure chest, marble roll, make-up booth and a fish pond, plus many new games.

Handcrafted items, plants and White Elephants will provide many interesting bargains for shoppers.

A "Sweet Shoppe" will feature homemade cakes, pies, cookies, breads and candy. Fresh donuts, coffee and tea will also be served.

The "Wild West Cafe" will also feature a variety of foods, including hot dogs with all the trimmings, chips, pickles, soft drinks and slushes.

A Magic Show, starring Mr. Kalamazoo, will be the feature attraction of the afternoon, starting at 1 p.m.

The Albany Fire Department will also have an interesting display in honor of Fire Prevention Week.

The public is cordially invited to attend the Carnival and join in the fun.

Visitors to the Lawrence Hall of Science on the Berkeley UC campus this weekend will be able to hold their own private conversations with a computer, take their own blood pressure, and sample gourmet-type cooking of dishes that are as good for the health as they are pleasing to the eye.

All of this and much more, according to the campus science center staff, will be included in the attractions of a big two-day Heart Health Fair to which its display halls, laboratories and lecture rooms will be turned over this Saturday and Sunday.

The heart health information event is being co-sponsored with the Alameda County Heart Association and other Bay Area county heart association units. It will be open from 10 a.m. to 5 p.m. both days, and admission will be free during the run of the fair.

Although the exhibits, displays and demonstrations are designed to interest visitors of all ages, one of the center's main laboratories will be converted into a "Children's Discovery Workshop" where youngsters will be able to analyze and type blood samples, listen to their own heartbeats and manipulate real medical equipment. A similar laboratory will allow adult visitors to perform simple blood chemistry tests, analyze the contents of everyday food samples and screen their physical measurements for a general idea of their individual rating on a heart attack "risk factor" evaluation.

A team of nutritionists and home economists will conduct a diet "clinic" to demonstrate preparation of low-fat, low-sodium and other special dishes, and visitors will be invited to sample the results.

A laboratory will be given over to a Teach Information Center for demonstrations of techniques and materials that have proven effective in stimulating local student interest in health and science. A computer "game room" will allow as many as 12 visitors at a time to hold private "conversations" via teletype with a computer programmed to answer questions about health and heart disease. A high blood pressure screening will be conducted by a medical team, with results that

indicate a need for possible medical followup being referred to the visitor's own physician.

Special feature of the exhibits will be highly-sophisticated electronic equipment used in local hospitals for heart patient care and an ambulance fitted out with electronic devices to monitor a heart patient enroute to hospital and transmit information on his condition ahead to the waiting hospital staff.

Twelve heart specialists and research scientists will present a continuous program of brief lectures and presentations on topics ranging from warning signs of heart attack to open heart surgery. Short films on diet, smoking, high blood pressure and other aspects of heart health will also be shown continuously during the fair.

A special free shuttle bus will be operated by AC Transit from Bancroft and Telegraph Avenues in Berkeley to the Hall of Science, and directions for visitors coming by car will be posted along the route from the freeway exit at University Avenue.

Have You Heard?

Some of under \$2,000. Maybe it isn't exactly the right thing—existing is more like it.

Nick Montano, brother of Albany's Tony Montano, and a former Albanyite himself, is Director of Sales for the California Cheese Company, producers of famous Brand Ricotta and Mozzarella Cheese.

Nick, who has had this position for the past 10 years, is responsible for making these cheeses a popular household item over 17 states. He'll extol on the merits of these Italian-style

cheeses for hours, and give you a scads of recipes at the drop of a hat. Here's a man who truly loves his job.

Albany's Vince Briganti, former Solano Avenue tonsorial artist, is now spending his time between driving an AC Transit bus and driving a golf ball.

Vince has completed his driver's training with the bus company, and is now acting as relief driver on various lines. Vince is also an avid golfer, and a member of the Albany Men's Golf Assn.

If you need "help in a hurry," the Human Resources Development Office in Berkeley is now

offering adult stand-by labor.

Every kind of labor you may need, from A (airplane cleaners) to Z (Zerovers), with L, M & N (loaders, mail clerks and nailers) and W, X & Y (window washers, extra help & yard workers) thrown in.

For immediate help call 843-1389 between 7 a.m. and 9 a.m., Monday thru Friday; for "next-day" help, call between 9 a.m. and 4:45 p.m. No fee to either applicant or employer.

Those of you who are old enough to remember the Saturday matinees featuring Charlie Chaplin, Buster Keaton and the other funny men, may be happy to know that Laney College is

offering free showings of films made famous by such movie comedians as Charlie Chaplin, Buster Keaton, Laurel and Hardy, W. C. Fields, and a host of others.

The films will be shown on Thursdays at 8 p.m. in the Laney College Forum and will feature such classics as Charlie Chaplin in The Gold Rush; Buster Keaton's The Frozen North and the Marx Brothers in Monkey Business and A Day at the Races.

For further information call the college at 834-5740.

Among prizes to be given away at the annual "Frank Knapp Night," held by the Albany American Legion Post 292, will be \$100 cash, a TV set, a man and a woman's watch, and many, many other worthwhile prizes.

The event is scheduled for Saturday night, Nov. 6. A delicious buffet dinner will be served from 6:30 to 8:30 p.m., and dancing will commence at 9. Why not make up a party, reserve a table and enjoy the fun.

For table reservations call Roy Holland, 526-2891. For tickets contact Hap Willis, 524-6796 or any member of the local American Legion post.

The Heart Health Fair, to be held Saturday and Sunday in the Lawrence Hall of Science, at UC Berkeley, will give the public the unusual opportunity of seeing lecture-demonstrations, slides and exhibits that have never before been available to them.

Leading physicians, surgeons and researchers from Bay Area medical centers (including Stan-

ford Medical Center, SF General Hospital, Children's Hospital, etc.) will conduct lecture-demonstrations on heart surgery, transplants, birth defects and the treatment and prevention of heart disease.

Outstanding slide shows will take viewers into Bay Area hospitals and medical centers for a close-up look at heart surgery, cardiac care units, etc.

Hours for the show are 10 a.m. to 5 p.m.—no admission is charged.

The Albany Library, 1216 Solano Ave., will have two outstanding exhibits during the month of October.

Ceramics by Lucille Ajello and paintings by David Pierson will be on display all month.

Miss Ajello has exhibited widely in the Bay Area, including the San Francisco and Jack London Square Art Shows and the Berkeley, Marin, San Francisco and Walnut Creek Art Festivals.

Pierson is a member of the Oakland Art Assn., and the Arts and Crafts Co-op of Berkeley. His work has been juried into more than two dozen art shows and festivals in the last five years.

Hal Denham, Chamber of Commerce manager, has an excellent definition for thinking—"Thinking is when your mouth stays shut and your head keeps talking to itself."

City Council Members,

City of Albany, Calif.

Dear Elected Members:

A resident and a taxpayer of the City of Albany since 1936, I must inform you that I never thought I would see the day when trusted elected members of the City Council would haul out and slap its taxpaying residents square in the face. The condition on Solano Ave. today is just that.

The concern which has reached your ears verbally and written has had no effect on you. The safety of motorists and pedestrians leave you cold, beautiful is a word that has made every one of you totally blind. Since when has a bloody inferno become a thing of beauty? This can happen you know.

Driving over the yellow line is against the law, who is on Solano Ave. to protect the motorist. You didn't see what we saw today with cars trying to pass where there was room for one. Was there a police officer present? No! Was anyone on the City Council present? No! Traf-

Nov. 7, for the general public.

Buses will leave El Cerrito Plaza at 7 a.m. each day, and return at 11 p.m. Cost is \$15, with a refund value of \$14.50.

For information or reservations, call 234-4164 or 524-5166 between 10 a.m. and 10 p.m.

Albany had a mini-British Week of its own when John Bailey of Stoke-on-Trent, England, vice president of Porcelain Manufacturing Company, visited the Austin Angells and attended the Elm Branch patio party Sunday. Angell sells porcelain insulators.

Now, you on the City Council better wise up, admit your error and tear out the whole business otherwise, please, do not insult the City of Albany by running for office again.

Transcendental
Meditation

To be able to think more clearly,
to speak more effectively, to
act with more energy and crea-
tivity, and to enjoy life more:
such improvements in daily liv-
ing are said to be the results of
a natural, effortless mental tech-
nique called Transcendental Med-
itation (TM). There will be an
introductory lecture on TM Mon-
day, Oct. 4, at 8 p.m., at Albany
High School, Room 120, 630 Key
Route Blvd. All are cordially in-
vited to attend. The lecture will
be free.

TM is not a philosophy or a
religion. It is a systematic, sci-
entifically verifiable technique
which unfolds each individual's
full potential. It is ancient as

mankind and is universal in its
application. TM is simple and
easy to learn and will help every
man fulfill his aspirations in life.
Better personal relationships, in-
creased effectiveness in work,
more inner peace, and better
mental and physical health are
all said to be the results of this
simple and easy technique.

How can we distinguish be-
tween the real and unreal — the
true and the false?

These are questions under dis-
cussion in the Lesson-Sermon en-
titled "Unreality," to be read in
all Christian Science churches
next Sunday. Biblical passages
include several of Jesus' parables
that help to throw light on the
problem.

Albany Christian Science Soci-
ety, 1358 Marin Ave., holds ser-
vices at 11 a.m. All are welcome
to attend.

World Communion Sunday will
be celebrated this Sunday by the
congregation of Albany United
Methodist Church along with mil-
lions of other Christians around
the world. The day emphasizes
the real unity that all Christians
have in Jesus Christ, their com-
mon Lord.

There will be special music by
the Chancel Choir. The Commu-
nion sermon is entitled, "It Makes
a Difference."
Church School Classes for all
ages begin at 9:30 a.m.; the
UMYF-OMEGA Youth Group
meets at 6 p.m.

The monthly Healing Service
will be held next Wednesday, Oct.
6, at 7:30 p.m. in the sanctuary.

FREE SEEDS

with

SECURITY SAVINGS

Have a free packet of seeds. On us. They're Winter-Blooming Sweet Peas. Plant them at home... indoors, outdoors, around the countryside, anywhere. It's our small way—through you—of helping to beautify our surroundings, of accentuating a pleasant environment.

Each month we'll feature a different flower. For October, it's Sweet Peas. Next month, we'll have California Poppy seeds. In December, Giant Imperial Mixed Stock. After that, well, we'll keep you posted.

Your free seed packet is available at any one of our nine Bay Area branches. Or at our STATESMAN'S CLUB, 239 Grant Ave., San Francisco.

Just come in and ask. You don't even have to have an account with us. But if you don't... let us plant another seed with you... open a savings account. Watch it grow, too. Our regular passbook account makes any amount fertile... at the rate of 5% interest from date of deposit to date of withdrawal. We also offer the 5 1/4, 5 1/2 and 6% interest accounts, too, depending on the amount you wish to save and length of deposit. All in all, it makes for a good, green garden.

Come in and see us. Soon.
